

FREE Naturopathic Medical Clinic by Bastyr University

Come to our free clinic! These residents and their supervision doctor will take time and listen. Natural health care's basic approach is to help the body heal itself. Naturopathic medicine emphasizes prevention of disease, encouragement of the body's inherent healing abilities, treatment of the whole person and personal responsibility for one's own health. To find out more or to schedule an appointment, please call the Center at 297-0403. This is a wonderful opportunity to find out more about naturopathic medicine.
